"I know Broad Street always has a lunch for me. I can depend on it without worrying they'll run out. They put **love** in it."

ABOUT OUR MEAL

We take pride in serving healthy and wholesome meals in a warm and secure environment. Our guests sit at round tables that promote a sense of community between them and our dedicated volunteer wait staff in our beautiful sanctuary. We regularly hold Kitchen Takeovers, where popular restaurants collaborate with us to bring diversity to our menu and to spread the word about our services. Our partnership with Carversville Farm Foundation ensures that we use locally-sourced, organic produce and proteins in every dish.

FOOD FOR THOUGHT

In Philadelphia, one out of five individuals is experiencing food insecurity. In 2023 Broad Street Ministry served a total of **83,548** meals. While our in-house culinary team prepares lunch daily, our Kitchen Takeover series provides BSM guests access to meals from renowned local chefs on a monthly basis. **For every \$1,000, we are able to extend Radical Hospitality through a dignified meal for 134 people.**
